You be the pro!

It's your time to shine at this year's OCH Foundation charity golf tournament. Give a Youth Future's participant the opportunity for a day on the links with the new pro/am registration. By registering a twosome, we'll set you (the professional) up with a youth participant (the amateur) who has been eager to try their hand at golf. Your \$350 registration will include golf, cart, lunch and dinner for you and your assigned youth participant. Learn about a great local program from a close source and give them an opportunity they may otherwise have not had!

Support Youth in Your Community

Youth Futures supports post-secondary participation among low income youth in Ottawa through leadership development, employment experience, and post-secondary orientation, in order to create successful futures and build strong communities. Over 90 youth will participate in the program this year.

OCH Foundation Charity Golf Tournament – June 27th

The OCH Foundation will host its annual charity golf tournament at Richcraft Homes' Gatineau Golf and Country Club on Tuesday, June 27th. The funds raised during the tournament will go toward supporting the many OCH Foundation initiatives that help OCH tenants thrive in their personal and communal lives. It will begin with a shotgun start at 12 p.m.
